BERG GTGamesEU 2024 Important Information:

This year the BERG GTGamesEU will take place in the beautiful town of St. Anton am Arlberg, in the Austrian mountains. The main train station is directly beside ARL Park our host for the event and also the World Championships Qualifier on July 13 - 14th. The venue for the Games will be the Arlberg Wellness Centre (swimming pool) located in the centre of town and the City is helping us achieve a new concept called ‘TRAMP TOWN’!

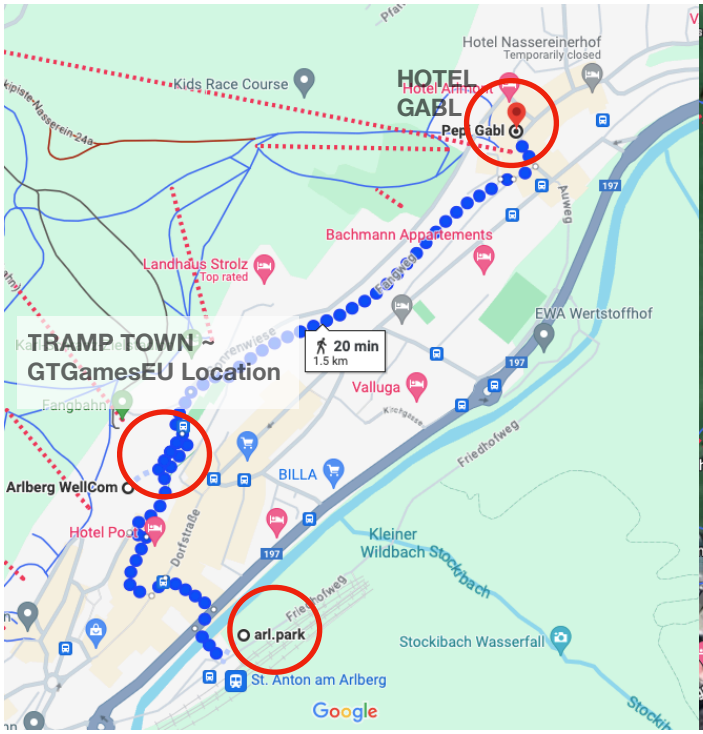

By purchasing your ticket to attend the GTGames, you will also receive a bed in the new Hotel Gabl, located just 11 min walk from ‘Tramp Town,’ where you can also have your breakfast. The ticket you purchase from ARL Park includes 2 nights accommodation in a shared room (you can request your roommate) from July 15 - 17 (Mon - Wed). If you wish to attend the Qualifier as well, and enjoy some fun activities, like a pasta party and movie night, you can purchse the KOMBI ticket and stay for both events. This includes 4 nights at the hotel from the 13 - 17th.

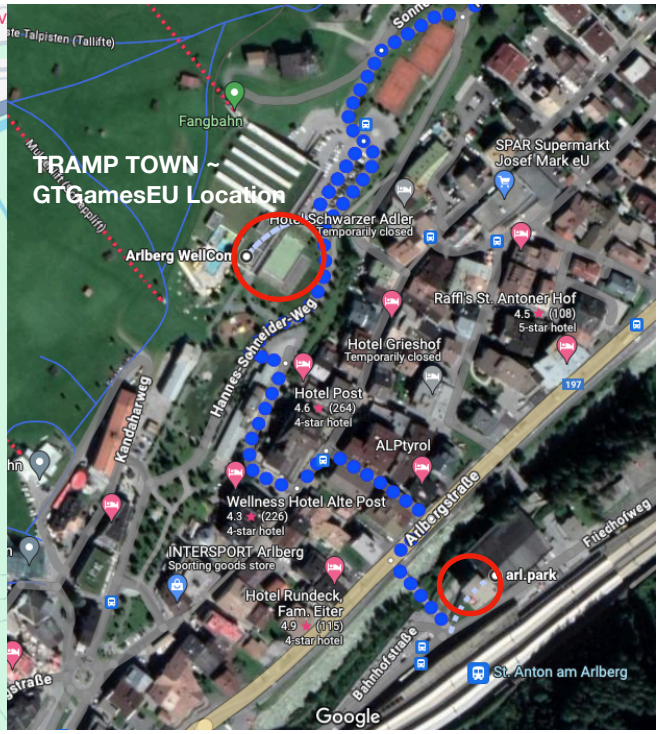

If you are coming for both events, there will be some swimming and cable car activities on Monday during the day, while we set-up for GTGames. More info will be sent when you purchase your ticket.

Total distance to each venue location is as follows:
